## CHESTERFIELD AUTO RACING SOCIETY

## 2009 Membership Form

Chesterfield Auto Racing Society is now running a club membership scheme. This scheme is to benefit everyone who races at the club every week and improve the quality of the club as a whole.

As the numbers of drivers turning up increases it is vital that we try to sort out the evenings racing as quickly as possible. Remember this is a club and it is expected that the racers have an active part in the setting up of the track and also the putting away of the track.

The membership fee for the year will be £15.00 for adults and £7.50 for juniors. The benefits of being a member are that you are given priority on booking in on busy nights and your race fees are cheaper. Every effort will be made to accommodate all racers however there is a limit to the numbers that can actually race.

Please complete the details on the form below and return to race to control.

Kevin Creaser
Chairman.
